Customer and I live on the water

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

TCWS has a poor record of service in our community and has received numerous increases already over the past several years. They have not maintained our water/sewer system and need to spend their money to maintain it, not keep increasing our rates every other year!

3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? *

I have had poor water quality, poor customer service and ever increasing rates from this company for TOO long. A water/ sewer increase is not justified!
